

**Rates for Personalized Dog Training (2017)**

**1st Session: \$150**

**Additional Sessions: \$135/each**

**Notes & Policies:**

- Sessions average 60 minutes in length. In addition, the price includes travel to your home, overview of homework and follow-up via e-mail.
- **Due to traffic and other factors, client can expect trainer to arrive within 1/2 hour of scheduled appointment time.**
- Payment is due at time of service. **We accept cash (exact change, please!) or check (made payable to "Sidekick").**
- Sessions must be used within six months. All sales are final.
- Rates apply to clients within service area only. Appointments outside of service area are considered on a case by case basis, and possibly at a higher rate due to travel time and expense.
