Notes & Policies:

- Sessions average 45 to 60 minutes in length. The price for in-home* training includes travel to your home, the lesson, overview of homework and follow-up via e-mail. (*Or other location, such as a local park or walking area.)
- The price for one-on-one training at Four Paw Fun includes the lesson, an overview of homework and follow up via e-mail.
- **Due to traffic and other factors, client can expect trainer to arrive within 1/2 hour of scheduled appointment time for in-home training.**
- Payment is due at time of service. **We accept cash (exact change, please!), check (made payable to "Sidekick") and PayPal or Venmo.**
- Pre-paid sessions must be used within three months. All sales are final.
- Rates apply to clients within service area only. Appointments outside of service area are considered on a case by case basis, and possibly at a higher rate due to travel time and expense.

I look forward to working with you and your dog(s)!
