

Thank you for choosing Sidekick!

Rates for Personalized Dog Training (2019)

1st Session: \$95

Additional Sessions: \$85 Per Session

Package of 3 Lessons: \$225 (\$75 per session)

Notes & Policies:

- **Sessions average 50 to 60 minutes in length.** The price for private training (in your home or at another location, such as a local park or walking area) includes travel to the location, the lesson, an overview of the homework and follow-up via e-mail.
- **Rates apply to clients within service area only.** Appointments outside of service area are considered on a case by case basis, and at a higher rate due to travel time and expense.
- **Payment is due at time of service. Check (made payable to “Sidekick”) is preferred.** I also accept cash (exact change, please!), PayPal or Venmo. Please note: a \$15 service fee will be added to all payments made via PayPal.
- **Packages must be paid in full at time of first lesson** and must be used within three months unless an exception is made. All sales are final.
- **Due to traffic and other factors, client can expect trainer to arrive within 1/2 hour of scheduled appointment time for one-on-one training.** Trainer will do her best to notify client if running more than 10 minutes late.

I look forward to working with you and your dog(s)!
